Comments: I REALLY REALLY enjoyed and was helped by watching the January 16th program with Donnie McClurkin hosts Fred Hammond, Kim Burrell, Andrea Mellini, Jonathan Nelson and Kirk Franklin. I hope you will have them host on a much more regular basis and perhaps think about including John P. Kee, Crystal Lewis, J Moss and Nicole C. Mullens for future programs. Thanks so much!

Comments: You Dr. Crouch and precious Jan have been like Moses and Aaron. You attacked the second heaven with great success. Your virtue and honor will fall on your sons at God's set time. You can not expire before that time because just like Moses, when he ordained Joshua, some of the Honor of Moses came on Joshua, but after God initiated the timing of Moses death. God spoke to Joshua saying "As I was With Moses, I am with you." NEXT EMAIL PLEASE

Comments: We watched The Ten Commandments tonight on your channel and I was so very disappointed. I would think to air something like that you would be sure it portrays what the scripture says. It was so Hollywoodized you could hardly recognize it as the Word. Since it was aired on TBN I wonder how many people that are not in the Word would take it as the gospel, like they did the original Ten Commandments.....I really would prefer something more scriptural in the future.

Thank you, Chris
