Dear Mr/Ms CATHY UBBEN:

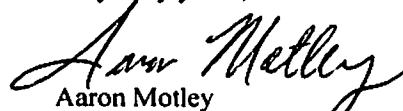

In accordance with Federal Communications Commission (FCC) Rule 76.64(f)(2), 47 CFR 76.64(f)(2), the referenced television station hereby elects must carry status on your referenced cable system for the 2011-2014 election period, which becomes effective January 1, 2012. This election is further made in accordance with section 614 of the Communications Act and FCC implementing Rule 76.56(b), 47 CFR 76.56(b).

WMCF-TV 45 operates on a commercial television channel licensed to a community located within the same Designated Market Area as the community(ies) served by your referenced cable system (47 CFR 76.55(e)). WMCF-TV 45 provides a signal of good quality (47 CFR 76.55(c)(3)), or is willing to provide equipment for delivery of the necessary signal quality to your cable system, and is not a distant signal under the compulsory copyright license specified in the Copyright Act (17 USC 111)(see, 47 CFR 56.55(c)(2)). Your system does not devote more than one-third of its activated channel capacity to comply with its mandatory carriage obligations, and carriage of WMCF-TV 45 will ensure your compliance with 47 CFR 76.56(b)(2).

The viewability requirements established by the FCC in *Carriage of Digital Television Broadcast Signals (Third Report and Order)*, 22 FCC Rcd 21064 (2007), and *Carriage of Digital Television Broadcast Signals (Declaratory Order)*, 23 FCC Rcd 14254 (2008), will govern WMCF-TV 45's carriage on your cable system. Finally, unless mutually agreed to otherwise, carriage of WMCF-TV 45 should be on its referenced broadcast channel (47 CFR 76.57(d)).

WMCF-TV 45 appreciates the opportunity to provide wholesome, family-oriented and inspirational programming to your subscribers. Please contact me at (334)272-0045 if you have any questions or need assistance with this notification and request.

Dear Mr/Ms Grogan:

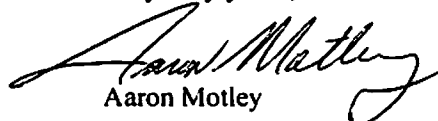

In accordance with Federal Communications Commission (FCC) Rule 76.64(f)(2), 47 CFR 76.64(f)(2), the referenced television station hereby elects must carry status on your referenced cable system for the 2011-2014 election period, which becomes effective January 1, 2012. This election is further made in accordance with section 614 of the Communications Act and FCC implementing Rule 76.56(b), 47 CFR 76.56(b).

WMCF-TV 45 operates on a commercial television channel licensed to a community located within the same Designated Market Area as the community(ies) served by your referenced cable system (47 CFR 76.55(e)). WMCF-TV 45 provides a signal of good quality (47 CFR 76.55(c)(3)), or is willing to provide equipment for delivery of the necessary signal quality to your cable system, and is not a distant signal under the compulsory copyright license specified in the Copyright Act (17 USC 111)(see, 47 CFR 56.55(c)(2)). Your system does not devote more than one-third of its activated channel capacity to comply with its mandatory carriage obligations, and carriage of WMCF-TV 45 will ensure your compliance with 47 CFR 76.56(b)(2).

The viewability requirements established by the FCC in *Carriage of Digital Television Broadcast Signals (Third Report and Order)*, 22 FCC Rcd 21064 (2007), and *Carriage of Digital Television Broadcast Signals (Declaratory Order)*, 23 FCC Rcd 14254 (2008), will govern WMCF-TV 45's carriage on your cable system. Finally, unless mutually agreed to otherwise, carriage of WMCF-TV 45 should be on its referenced broadcast channel (47 CFR 76.57(d)).

This election is further made in accordance with section 614 of the Communications Act and FCC implementing Rule 76.56(b), 47 CFR 76.56(b).

WMCF-TV 45 operates on a commercial television channel licensed to a community located within the same Designated Market Area as the community(ies) served by your referenced cable system (47 CFR 76.55(e)). WMCF-TV 45 provides a signal of good quality (47 CFR 76.55(c)(3)), or is willing to provide equipment for delivery of the necessary signal quality to your cable system, and is not a distant signal under the compulsory copyright license specified in the Copyright Act (17 USC 111)(see, 47 CFR 56.55(c)(2)). Your system does not devote more than one-third of its activated channel capacity to comply with its mandatory carriage obligations, and carriage of WMCF-TV 45 will ensure your compliance with 47 CFR 76.56(b)(2).

The viewability requirements established by the FCC in *Carriage of Digital Television Broadcast Signals (Third Report and Order)*, 22 FCC Rcd 21064 (2007), and *Carriage of Digital Television Broadcast Signals (Declaratory Order)*, 23 FCC Rcd 14254 (2008), will govern WMCF-TV 45's carriage on your cable system. Finally, unless mutually agreed to otherwise, carriage of WMCF-TV 45 should be on its referenced broadcast channel (47 CFR 76.57(d)).

WMCF-TV 45 appreciates the opportunity to provide wholesome, family-oriented and inspirational programming to your subscribers. Please contact me at (334)272-0045 if you have any questions or need assistance with this notification and request.
